(d) Governments has laid down route dispersal guidelines with a view to achieve better regulation of air transport services taking into account the need for air transport services of different regions of the country. It is, however, up to the airlines to provide air services to specific places depending upon the traffic demand and commercial viability. As such, the airlines are free to operate anywhere in the country subject to compliance of route dispersal guidelines issued by Government.

Bird hit at Delhi Airport

323. PROF. ALKA BALRAM KSHATRIYA: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether an Air Mauritius plane caught fire after being hit by a bird just as it was taking off from Delhi Airport on 24 July, 2008;

(b) if so, the details thereof;

(c) whether Government has taken any steps to prevent such accidents of planes; and

(d) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) and (b) An incident of bird hit had occurred to Air Mauritius Flight MAU745, A-330 aircraft at Indira Gandhi International (IGI) airport while operating flight Delhi to Mauritius on 24/07/2008. During take off roll bird hit occurred and pilot rejected take off at high speed and applied brake. Due to application of sudden braking, wheel assembly got heated and emitted smoke. Full emergency was declared by ATC. There were total 252 persons on board. All passengers were evacuated through emergency slide chute on taxiway. 53 passengers sustained minor injury.

(c) and (d) Yes, Sir. Airfield Environment Management Committees have been constituted at those airports where scheduled flights operate to identify the sources of bird attraction and take remedial steps for prevention of such incidents. Various specific steps such as proper disposal of garbage, prevention of water logging, coverage of garbage bins, establishment of modern abattoirs, scaring of birds etc. have been taken to reduce the incidence of bird hits.
